# Report of Police Patrol

---

To: Board of Selectmen, Town of Jefferson, New Hampshire.  
From: Curtis L. Bader, IACP, NYSCP, NHCP, Patrol Officer.  
Subj.: Report of Annual Patrol of Jefferson for the Year 1968.

1. The undersigned has compiled the following statistics from his log book during the patrol of the Town of Jefferson during the year of 1968; the patrol starting July 1, 1968 to, and including September 1, 1968. Three additional weekends during the foliage season were also covered by patrol. Traffic through the township was observed to be generally heavier than in 1967.

2. The patrol was performed by foot patrol and motor patrol; four church crossings being covered every Sunday:

St. Agnes Catholic Church

St. John's Methodist Church

Holy Trinity Episcopal Chapel

Highland Chapel when services warranted it.

Note: While directing traffic on crossings and at scenes of special details such as weddings, community gatherings, etc. (A total of 7 were covered), over 730 cars were guided to and from the gathering areas.

3. In the course of patrol a total of 2,508 miles were traveled in a motor vehicle; most in direct checking duty or answering calls of citizens. 484 hours and 7 minutes were spent during patrol to handle routine checks and the following listed items:

Assault cases .....	4
Accidents .....	5
Larceny complaints .....	3
Dangerous parking complaints .....	4
Found property reports .....	2
Assistance to disabled motorists .....	22
Traffic violation warnings issued .....	93
Summons served .....	2

4. In addition to the above, the writer assisted the State Police and two neighboring departments in various cases and at the scene of auto accidents. All lost property owners were contacted and reports to other authorities made. All found property was traced to owners and returned. A decrease in the average over-the-limit speed is markedly noted immediately after the first week of patrol; especially in the case of the regular long-haul trucking through the Town of Jefferson.

Respectfully submitted,

C. L. BADER

Lieut. Curtis L. Bader, Ret.

# Health Report

---

January 3, 1968

Mrs. Opal Bronson

Town Clerk

Jefferson, N. H.

To the Citizens of the Town of Jefferson:

During 1968, 133 visits were made in the community. These visits are classified as follows:

Administration and Promotion	7	Health Supervision....	71
Antepartum .....	3	Injury .....	2
Cancer .....	1	Mental Health .....	1
Cardiac .....	8	Postpartum .....	3
Crippled Children's Services ....	33	Sight Conservation....	4

The following immunizations were administered to pre-school and school children: Polio, 58, Diphtheria, Whooping Cough and Tetanus, 6, Diphtheria and Tetanus, 6, Small Pox, 10. 10 physical examinations were done on pre-school children. Three children attended the Pediatric-Cardiology Clinics in Lancaster, and four children attended the Crippled Children's Clinic in Berlin.

The opportunity to receive the benefits of medical science and enjoy good health has become a basic human right.

Today, your community is faced with the challenge of chronic illness and especially with the need to provide a gamut of supportive services for people in their homes. To meet the challenge, Public Health Nursing services must be available in your community. Service that will help all citizens reach and maintain optimal health and reach the people where they are. The accent should be on cooperative undertakings. Coordination will have to be achieved not only horizontally within each community, but also vertically, between smaller and larger communities.

Supporting and sponsoring service is a community's expression of concern for individuals, its investment in human resources, and its wish to help individuals realize their maximum potential. Your community needs this service now, and immediate planning should be undertaken to mobilize the resources to meet the health needs in your community.

It has been a pleasure to serve the Citizens of Jefferson, and I wish to express my gratitude for their cooperation during the past year.

Respectfully submitted,

ELEANOR D. KENNEY, R.N.

Posted our annual 500-miles of Fall Foliage Tours for the 20th season.

Wrote forty-four news releases to inform people in the region of important economic issues.

Prepared publicity articles which have appeared in **New Hampshire Profiles**, **Skiing Magazine** and the **American Canoeist**.

Assisted with the production of a full page four-color ad urging motorists to visit New Hampshire, which appeared in seven national magazines including **Sports Illustrated** and **National Geographic**.

Assisted with a study for better vocational and rehabilitation services for Coos and Carroll Counties.

Researched and sold the concept of an east-west interstate highway for the north country.

Prepared a position paper regarding the Connecticut Valley National Recreation Area proposal.

Worked at three travel shows, one at Boston, one at Montreal, and the other at Cleveland.

Assisted two TV teams in filming the White Mountains.

Presented the annual awards and subscriptions to 4-H clubs in the region.

Introduced whitewater canoe racing into the region.

Promoted the concept of preserving farms through encouraging family farming.

Worked on industrial development problems with communities in the area.

Supported with money the Shelburne Highway Safety Rest Area Information Center and assisted in training the staff.

# Report of Planning Board

The planning board was active in the past year, working and studying in the areas of future growth and its many implications to the community. There are definite indications that such growth is going to take place in Jefferson. How fast and on what scale, and type may depend, to a large extent, on the philosophy and plans, laid out by the governing bodies of the town.

Orderly, sustained expansion is one of the charges of a planning board along with such things as future prosperity, health, general welfare, efficient expenditure of public funds and provisions for public utilities. This requires the preparation of a "Master Plan" which is presently in the process of being organized under the able leadership of planning consultant, Mr. William Dickson and the N. H. Department of Economic Development. An outline is proposed to the Federal government, under the 701 Urban Renewal Act, to be approved for Federal and State cost sharing under this act. The scope of study which has been drawn up for the six towns of Stratford, Northumberland, Lancaster, Whitefield, Dalton and Jefferson, will give each town a comprehensive plan, as well as a regional plan for the entire area. Hopefully the study will get started soon. Representatives of all six towns have met several times to help develop the scope of study, and interview and hire a consultant.

The planning board has been studying the need ahead for sub-division controls. It was agreed that it was time to ask the voters for approval to draw up such regulations for the purpose of having some town control over future roads, sewage and water supplies, all of which are getting to have much more importance to a community and will greatly affect the economy, tax structure, land values, transportation and general well being in years ahead.

Your planning board would welcome comments, suggestions and help in its effort to maintain and further the proper and efficient use of the great potential of our town for the benefit of ourselves, visitors and posterity.

Board of Selectmen  
Town of Jefferson  
Jefferson, N. H. 03583

Gentlemen:

The Trustees of the Beatrice D. Weeks Memorial Hospital kindly ask that a request for an appropriation be included in the Articles of your Town Warrant for the 1969 Town Meeting.

Several of the towns served by our hospital generously appropriated funds last year which benefited area residents including 69 from Jefferson. Last year our net loss was \$18,403.08 and we would urge you to help us if you can.

Again, I would repeat my offer of a year ago to have the members of your Board to visit your area hospital at any time.

Sincerely yours,

J. RICHARD POTTER, President

Board of Trustees
